

The Baldwin School District Working With The Baldwin School Community

Is sponsoring a

Haiti Relief Drive

Arrangements have been made to ship essential supplies to the victims of the recent earthquake in Haiti.

We will be collecting

- New and gently used spring/summer clothes and shoes
- Dry food and baby formula (canned foods are less desirable at this time as their significant weight may delay shipping)

Collection bins will be placed in all schools and the District Office from Monday, February 1st through Friday, February 12th.

Please donate what you can and join with our community in supporting this important relief effort.
