Directions to Access Clever

Clever is an "application dashboard" that allows a single sign on for many of our web subscriptions! Once your child logs onto Clever, they will be able to access featured instructional software applications without additional credentials. These include applications such as i-Ready, RAZ kids, Spelling City, Khan Academy, TypingClub, with more applications to be added in the future.

To access Clever at home, go to **www.baldwinschools.org** and click on **Clever** in the top navigation bar,

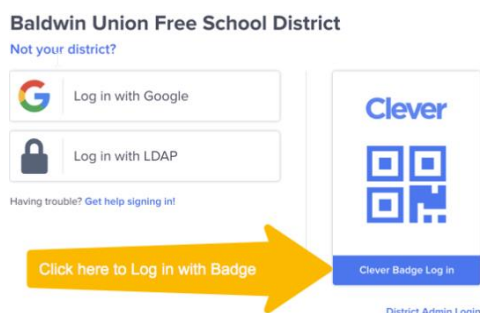

How to Log into Clever (K-12)

Students in grades K-2 can access to Clever using their Baldwin credentials or by using a Badge, which look like this:

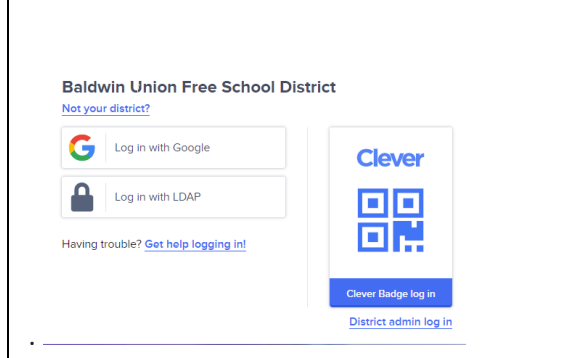

A badge can only be used if the device you are using has a camera. Your child may log in to Clever using their Clever Badge. Click on "Clever Badge Log in" and hold the badge in front of the screen until you see a check mark which indicates your child has been signed in to Clever.

If your child does not have their Clever Badge, or if he/she is a student in grades 3-12, they can only access Clever using their Baldwin Credentials.

Step 1: Please select Log in with Google	**Step 2**: Enter your child's Baldwin credentials. **If you do not know your child's username and password, please contact your child's teacher.**
