Please use this list only as a guide. These books have been chosen for their quality, their appeal to children, and their availability at the Baldwin Public Library. Additional nonfiction books have been added in order to align texts to NYS Common Core Learning Standards. You are encouraged to read other titles by these authors. If a particular title is not available, a librarian can assist you in selecting another title on the same topic, by the same author, or in the same genre. The public library also updates its own summer reading lists each year.

This summer reading list is also available on your school's webpage. Click on "Summer Information".
