GENERAL INFORMATION
ABOUT THE DISTRICT
Baldwin Union Free School District (UFSD) includes almost all of the unincorporated area known as Baldwin as well as parts of Freeport, Rockville Centre, Roosevelt, and South Hempstead. The district is approximately 4.3 square miles and has a population of nearly 25,000. Projected enrollment of students in kindergarten through grade 12 in the district schools is about 4,500 students.

The school district is made up of five elementary schools for students in kindergarten through grade 5, one middle school for students in grades 6-8, and one high school for students in grades 9-12. Additionally, there is a career and technical high school program called Baldwin High School@Shubert. Central administrative services are located in the District Office at 960 Hastings Street, west of Milburn Avenue.

All full-time and part-time classroom and special area teachers, teaching assistants, and administrative and supervisory personnel have appropriate certification from the New York State Education Department. Civil service employees, including clerical, custodial, cafeteria, registered nurses, aides, and school monitors provide the support system for the district.

The 2022-23 school budget, approved by residents in May, is $146,984,556. According to property tax law, the Board of Education does not set the tax rate. The Nassau County Board of Assessors is responsible for setting the tax rate on four classes of property: (a) residential, (b) agricultural, (c) utilities (d) commercial property. The new tax rate is determined in the fall. The district’s Annual District Meeting/Budget Hearing will be held on May 3, 2023, with the school budget vote and election of board meetings scheduled for May 16, 2023.

DELAYED OPENING/EMERGENCY CLOSING OF SCHOOL
Parents/guardians will be notified about the delayed opening or emergency closing of district schools by phone and/or email as well as an alert on the district website. This information will also be broadcasted on WINS (1010 AM) as well as NBC (Channel 4), FOX (Channel 5), ABC (Channel 7), and News 12 Long Island.

If bad weather conditions end by early morning or appear about to end, the Superintendent of Schools may announce a two-hour delayed opening. All classes in all schools would begin two hours later than usual. Bus schedules would be delayed by exactly two hours. Decisions about before-school programs and activities would be made during the school day.

If bad weather develops while school is in session, after-school and evening activities may be canceled. If weather conditions are so severe that safe dismissal would not be possible, each school would serve as a temporary shelter, and all students would remain in school under faculty supervision until the storm is over. If schools are closed due to hazardous weather or other emergencies and results in fewer than 180 instructional days, the superintendent may need to adjust the calendar to provide the minimum 180 instructional days. Please note that due to the COVID-19 pandemic, different procedures might be put into place. In that case, the district will notify families with updated information.

PUBLIC INFORMATION
The Public Information Office is responsible for Baldwin UFSD’s communications, which encompasses publishing The Baldwin Beat and the district’s digital newsletter, handling the electronic signage, updating the website and social media, sending district news to the media, in addition to managing emergency notifications from the district. Contact the Public Information Office at (516) 434-6014 or for more information and communication resources, visit: www.baldwinschools.org/communications

REGISTRATION
By appointment only. Please contact (516) 434-6095 to make an appointment.

New Residents
Parents/legal guardians who have moved into or are already residing in the district are required to register their school-age children as soon as possible at the District Office, 960 Hastings Street. Three proofs of residency, proof of parent/legal guardian relationship, and original birth certificate are required at registration. Registration documents can be found at www.baldwinschools.org/registration.

In addition, all kindergarten, transfer students, and new entrants must provide evidence of immunization against diphtheria, hepatitis B, measles, mumps, polio, rubella (German measles), and varicella (chicken pox). All students enrolling in grades 6-12 for the 2022-23 school year must provide evidence of immunization against pertussis (whooping cough) booster (Tdap). For specific requirements, visit www.schoolhealthservicesny.com or call the Director of Health at (516) 434-6081.

Who May Register for Kindergarten?
Any child who is a legal resident of the district and who will be five years old on or before December 1 of the year of entrance to school is eligible to register. Children who become six years old any time during the school year must attend school starting in September.

When and Where to Register
Kindergarten registration is held at the District Office, 960 Hastings Street, during the winter of the year before entrance. In 2023, registration dates will take place from January 17 through January 27 by appointment. If a student entering kindergarten in September 2023 moves into the district any time after February 1, parents/guardians should call the Registrar at (516) 434-6095. Children will be screened for kindergarten readiness by professional staff and trained volunteers in March. The registration office will schedule screening dates once kindergarten registration is completed.

Non-Public School Students
Students residing in the district who attend non-public schools must register with the district. Textbooks for non-public school students are available for pickup from the District Office, 960 Hastings Street, during the last two weeks of August. Transportation is provided for Baldwin resident students attending non-public schools as follows: grades K-12 residing more than 1.5 miles from the school attended to a maximum of 15 miles. Requests for out-of-district transportation must be filed no later than April 1 for the following school year (www.baldwinschools.org/transportation).
WHO DO I CALL WITH A QUESTION OR SUGGESTION?
The Baldwin Union Free School District has developed communication protocols to promote direct, open and respectful interactions so that problems and concerns can be worked out quickly and efficiently. The communication protocol starts with the staff member closest to the situation, as that person will usually have the most information. At times, additional personnel are required to resolve specific situations. Appropriate communication channels for a variety of topics are listed below. The district encourages any and all questions from parents and residents regarding school matters.

OVERVIEW OF SCHOOL SERVICES
CURRICULUM
The Baldwin Union Free School District has successfully built a rich and robust academic learning environment and future-focused curriculum for all students in grades K-12. Through the implementation of New York State’s Next Generation standards, the ongoing alignment of local curricula, as well as the district’s innovative coursework and learning experiences, every student is exposed to rigorous and relevant programs of study along their educational journey. For more information, visit www.baldwinschools.org/curriculuminstruction or contact the Assistant Superintendent for Instruction in the District Office at (516) 434-6020 or building principal.

Ongoing Review of K-12 Curricular Areas
The district reviews all curricular areas for scope, sequence, and best practices, and emphasizes articulation across grade levels K-12. Staff works together on committees to share information and examine the connections between concepts and activities on different grade levels. Through this ongoing review, the curriculum is evaluated, and plans for any revisions are implemented. The findings and recommendations are regularly reported to the Superintendent.

Summer Reading Lists
To encourage reading, the district provides grade-appropriate summer reading lists for students entering grades 1 through 12 in the fall. These lists are distributed at the end of the school year and are also posted on the district website. The books on the lists are available at the Baldwin Public Library.

GOLD CARD FOR SENIORS
The Gold Card entitles Baldwin senior citizens, 60 years old and over, to receive free or discounted tickets to certain school productions and athletic events, as well as some discounted Continuing Education classes. The cards are free and available at the Public Information Office in District Office, 960 Hastings Street. Call (516) 434-6014 for more information.

GUIDANCE
The guidance and counseling staff is committed to supporting every student, grades 6-12, through individual and group counseling. The goal of the Guidance Office is to help students make informed decisions and assist them in developing crucial, social and emotional skills. At Baldwin High School, counselors also assist students with post-secondary planning, including the college application process and career exploration. All courses and other academic programs at the high school, including School2Career and the Nassau Community College Concurrent Enrollment Program, can be found at www.baldwinschools.org/coursebook and any questions can be answered by the Guidance Department.

BALDWIN HIGH SCHOOL@SHUBERT
Baldwin High School@Shubert is the secondary school program for students who thrive in a smaller environment. In partnership with BOCES, students have opportunities to receive certification leading to different vocations and credit recovery within the district. In order for students to be considered for this program, they must apply through their guidance counselor. All applications are reviewed by an admissions committee to determine if the student is eligible. Baldwin High School@Shubert may be reached at (516) 434-6991.

HEALTH

EMERGENCIES
The school physician, registered nurses, and other members of the school health team cooperate to protect and improve the health of students and school personnel. First aid is administered as needed according to the guidelines established by the school physician and the New York State Education Department. While a child is in school, the professional staff is alert for signs of illness. The health office will notify parents/guardians should a child need to leave school, and a parent/guardian or an adult designated by the parent/guardian must pick up the student.

COMMUNICABLE DISEASES
If a child is absent due to a communicable disease, parents/guardians must immediately notify the school principal and nurse by phone so that the school can consult the chief medical officer and director for health services. Written confirmation of the diagnosis from the family physician may be required. A written statement may also be required to verify the child’s recovery from the communicable disease in order to be readmitted to school.

DISPENSING MEDICATION
When prescription or non-prescription medication must be given in school, please provide written requests from the doctor or dentist as well as from the parent/guardian. Be sure to deliver medication in the prescription bottle—no unlabeled medication can be given to a student. Parents/guardians of students who carry inhalers and/or EpiPens must submit medication forms annually. These forms are available on the district website by clicking “Health Documents and Forms” under Health Services.

HEALTH EXAMINATIONS
State law requires that all new entrants and students in grades K,1,3,5,7,9 and 11 have medical examinations. The law states that school physicals may be performed at any time up to 365 days before the start of the school year. Medical forms are sent home in June and are available on the district website by clicking “Health Documents and Forms” under Athletics. The school physician examines students who are not seen by a family physician. Students should also have an annual dental examination by their family dentist. Registered nurses conduct vision screening for new entrants and students in grades K,1,3,5,7 and 11; hearing screening for new entrants and students in grades K,1,3,5,7 and 11; scoliosis screening female students in grades 5 and 7, for male students in grade 9. Parents are informed of conditions that require medical attention.

PUPIL ACCIDENT INSURANCE
The district provides limited secondary coverage for all students while they are participating in supervised school-sponsored activities. Bills may not be paid in full since there is a deductible, and parents/guardians are reimbursed according to a published schedule of fees for the injuries sustained. Notice of injury should be immediately reported to the office of the child’s school and claims must be submitted as soon as possible. If parents are seeking more information on prevention of head injuries, please visit: www.cdc.gov/headsup/basics/index.html

MILK, BREAKFAST, LUNCH, AND OTHER SCHOOL EXPENSES
Baldwin participates in the federally funded Free and Reduced Priced Breakfast and Lunch Program to ensure that breakfast and lunch are available for all students in need. For more information about these programs, call (516) 434-6042. Elementary students can bring lunch from home or purchase lunch in the elementary hot lunch program available in each of the schools. At the middle school and high school, students may bring lunch from home or buy lunch in the cafeterias. Middle school students must stay on school grounds during the lunch period, but high school students may leave campus to purchase their lunch. Meals purchased in the cafeterias may be prepaid through MySchoolBucks. For more information on the program, including menus and downloadable forms, click on the “MySchoolBucks” icon located on the right-hand side of your child’s school website (excluding the district homepage). Parents/guardians may also pay for instrument rentals, PSAT and AP exams, and driver’s education through MySchoolBucks.

PARENT-TEACHER CONFERENCES
Regularly scheduled Parent-Teacher Conferences are held in all schools and listed in this calendar guide. Additional conferences may be requested by school personnel, and parents/guardians are encouraged to request a conference when necessary. Elementary conferences may be arranged by contacting the teacher or principal. In the secondary schools, parents/guardians should call the high school guidance office at (516) 434-6134 or middle school guidance office at (516) 434-6233.

PARENT PORTAL
The eSchool Parent Portal provides parents with access to their child’s profile, schedule, attendance, progress reports, and report cards. Parents of students in grades 6-12 may view individual grades as posted, and parents of students in grades 9-12 may view a draft of their child’s transcript. To find the Parent Portal, go to the district website and click on the Parent Portal icon located on the right-hand side of your child’s school website (excluding the district homepage). Parents must have a working email address on record with the district. Parents/Guardians are auto-enrolled for a Parent Portal account at the time of registration. Please contact your child’s school to confirm parent/guardian email addresses or inquire about Parent Portal access. For more information, visit: www.baldwinschools.org/portal

TITLE I PARENTAL INVOLVEMENT (POLICY 1900)
The Board of Education believes a positive parental involvement is essential to student achievement, and thus encourages such involvement in school educational planning and operations. Parental involvement may take place either in the classroom or during extracurricular activities. However, the Board also encourages parental involvement at home (e.g., planned home reading time, informal learning activities, and/or homework “contracts” between parents and children). The Board directs the Superintendent of Schools to develop a home-school communications program in an effort to encourage all forms of parental involvement. Consistent with the Every Student Succeeds Act (ESSA), which serves as the latest reauthorization of the Elementary and Secondary Education Act of 1965 (ESEA) and reauthorized in 2002 as the No Child Left Behind Act (NCLB), the Board of Education will develop and implement programs, activities and procedures that encourage and support the participation of parents of students eligible for Title I services in all aspects of their child’s education.

The Board also will ensure that all of the schools receiving Title I, Part A funds develop and implement school level parental involvement policies, as required by ESSA. For information on Title I complaint procedures, contact the Assistant Superintendent for Instruction at (516) 434-6020.
**SPECIAL EDUCATION & PUPIL SERVICES**

Pupil services include psychological and social work services, special education for school aged and preschool students with disabilities, attendance, and registration.

**PSYCHOLOGICAL AND TESTING SERVICES**

The school psychologists work with students, teachers, administrators, and parents to meet students’ needs. Services are available to all students and include diagnosis of learning difficulties and counseling.

**SOCIAL WORK**

The social workers act as liaisons between school and family when needed. They schedule home and office conferences with parents and participate in cooperative planning with school and community agencies. Individual and small group counseling are also provided.

Special Education programs and services are provided for students ages 3 to 21 who need additional support in their school program. The Committee on Preschool Special Education meets on a regular basis to discuss the needs of children ages 3 to 5. The preschool committee is composed of professional staff, a parent member (at the parent’s request), and New York State approved preschool evaluators. The Committee on Special Education meets on a regular basis to evaluate students ages 5 to 21 to determine if any educational disability exists. The committee is composed of professional staff members as well as a parent member (at the parent’s request). A variety of special education services is provided to students with disabilities. Resource room and other related services, such as language, speech, and hearing, educational counseling, occupational therapy, and physical therapy, are provided for students so they can function successfully within the traditional classroom. Special class programs are provided for students K-12. Inclusive options may be the use of teacher aides, consultant teachers, and team teaching. Students with severe disabilities who cannot benefit from in-district programs are placed, at district expense, in out-of-district facilities.

Special Education services are also available for infants and preschool children. Parents who believe their preschool child may have an educational disability should contact the Committee on Preschool Special Education, c/o Office of Pupil Services, 960 Hastings Street. Accommodations and services are also available for students with health issues or other disabilities that have a significant impact on learning. These services are offered under Section 504 of the Rehabilitation Act. For more information, contact the 504 Coordinator and Director of Pupil Services at (516) 434-6050.

**NON-PUBLIC SCHOOL STUDENTS WITH DISABILITIES**

If a Baldwin resident student with disabilities is in a non-public school and needs special education services, the parent/guardian must request these services in writing to the Baldwin School District (the district of residency) and the district in which the non-public school is located (the district of location) by June 1 of the previous school year in which the services are requested. However, when a student is first identified with a disability after June 1 of the previous school year but before April 1 of the current school year, the parent/guardian must submit the written request for services within 30 days after the student is first identified.

**HIGH SCHOOL SUMMER SCHOOL PROGRAM**

The High School Summer School Program is held in July and August for high school students to make up work they failed during the school year. Program descriptions are available in the high school guidance office in the spring. The program is open to Baldwin resident students who have completed grades 8-12.

**USE OF FACILITIES**

Use of district facilities by outside groups requires approval by the school district. Applications may be picked up from the main office of the requested building. Completed applications must be returned 45 days before the event for consideration. If approved, a confirmation will be mailed. All groups who use district facilities are also required to take a half-hour safety and procedures course before using the facilities. For more information, call the Facilities Office at (516) 434-6060.
The compulsory attendance law requires that all children who are six years old before December 1 of the school year must attend school from the first day of that school year. Students must attend school from the first day of that school year. Students must continue to attend school throughout the school year in which they turn 16 years old. Full-day absences should be avoided whenever possible. Parents/guardians are urged not to keep children out of school on a school day for vacations. Accepted excuses for absences, tardiness, and early departures from class or school include: personal illness, illness or death in the family, impassable roads or weather, religious observance, quarantine, required court appearances, attendance at health clinics, approved college visits, approved cooperative work programs, military obligations, or such other reasons as may be approved by the appropriate building administrator. All other absences are considered unexcused. Vacations are counted as unexcused absences. All unexcused absences, tardiness and/or early departures must be accounted for. It is the responsibility of the parent/guardian to notify the school office within twenty-four (24) hours of the absence, tardiness or early dismissal and to provide a written excuse upon the student’s return to school. Absences from class dramatically reduce a student’s ability to perform effectively and may have a negative effect on their grade. Unexcused absences, tardiness, and early departures will result in disciplinary action consistent with the district’s code of conduct. Those penalties may include, for example, detention or in-school suspension. Students may also be denied the privilege of participating in or attending extracurricular events. In addition, a designated staff member(s) will contact the student’s parents and additional staff members as necessary. Such staff member(s) shall remind parents of the attendance policy, explain the ramifications of excessive absences, tardiness, and/or early departures, stress the importance of class attendance and discuss appropriate intervention strategies to correct the situation. Attendance is reported on a period-by-period basis, and state school aid to Baldwin is computed on an actual attendance each day. Baldwin High School and Baldwin Middle School send attendance notifications to parents/guardians by phone and email through the district’s messaging system.

DAYS OF RELIGIOUS OBSERVANCE
It is the responsibility of the school district to ensure that absences for religious observance are considered a legal absence under state attendance guidelines. This requires the district to give advance notice of testing and due dates for major assignments, time for in-school or after-school make up of examinations, opportunity for extra help to make up work, and no academic penalty for missed classes.

EMERGENCY DRILLS
To ensure the safety and security of students and staff, the district conducts fire drills, emergency evacuation drills, hazardous weather drills, and bus safety drills during the school year. Additionally, working with the Baldwin Fire Department and the Nassau County Police Department, the district has developed School Proper Emergency Evacuation Drills (SPEED). These drills simulate an emergency situation and involve both police and fire departments. These drills have been conducted at each of the district schools, and the district will continue to conduct SPEED drills during the school year at a designated district school. Once a year, all students are released 15 minutes earlier than the regular dismissal time in order to test the response of the district’s Emergency Disaster Management Plan. This mandatory safety drill is held in compliance with the New York State Education Commissioner’s regulations.

FERPA ANNUAL NOTIFICATION TO PARENTS AND STUDENTS OF RIGHTS CONCERNING A STUDENT’S SCHOOL RECORDS (POLICY 5500)
The Family Educational Rights and Privacy Act (FERPA) grants parents or guardians and students over eighteen (18) years of age (“eligible students”) certain rights with respect to the student’s education records. They are:
1. The right to inspect and copy the student’s education records within 45 days from the day the District receives a request for access.
2. Parents or guardians of students less than eighteen (18) years of age and students older than eighteen (18) years of age have the right to inspect and copy the student’s permanent record.
3. Parents, guardians or students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent(s)/guardian(s) or eligible student of the time and place where the records may be inspected. The District charges a nominal fee for copying, but no one will be denied their right to copies of their records for inability to pay this cost.
4. The rights contained in this section are denied to any person against whom an order of protection has been entered concerning a student.
5. The right to request an amendment of the student’s education records that the parent(s)/guardian(s) or eligible student believes are inaccurate, misleading, irrelevant, or improper.
6. Parents/guardians or eligible students may ask the District to amend a record that they believe is inaccurate, misleading, irrelevant, or improper. They should write the school principal or records custodian, clearly identifying the part of the record they want changed, and specify the reason.
7. If the District decides not to amend the record as requested by the parent(s)/guardian(s) or eligible student, the District will notify the parent(s)/guardian(s) or eligible student of the decision and advise him or her of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent(s)/guardian(s) or eligible student when notified of the right to a hearing.
8. The right to permit disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA or state law authorizes disclosure without consent.
Disclosure is permitted without consent to school officials with legitimate educational or administrative interests. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent(s)/guardian(s) or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the District also discloses education records without consent to officials of another school district in which a student has enrolled or intends to enroll, as well as to any person as specifically required by state or federal law.
Disclosure is also permitted without consent to: any person for research, statistical reporting, or planning, provided that no student or parent(s)/guardian(s) can be identified; any person named in a court order; and appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons.
4. The right to prohibit the release of directory information concerning the parent’s/guardian’s child. Throughout the school year, the May reveal to the public student “directory information” consisting of the student’s name, date of birth and place of birth, grade level, major field of study, participation in officially recognized activities and sports, weight and height (if members of athletic teams), degrees and awards received, and the name of the educational agency or institution previously attended by the student (See Board Policy 5500 and 5550). A parent or eligible student may object to the release of the above directory information on an annual basis by notifying the Superintendent of Schools in writing. Any written objection filed with the Superintendent will remain in effect for the duration of the school year in which it was filed.
5. The right to file a complaint with the U.S. Department of Education, concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

For all Board Policies, visit www.baldwinschools.org/policies.
INFORMATION AND DATA PRIVACY, SECURITY, BREACH AND NOTIFICATION (POLICY 8635)
The School District maintains students’, teachers’ and principals’ private information, personally identifiable information, and education records on data management systems and recognizes its responsibility to protect the privacy of student data, including personally identifiable information, and its obligation to notify students and their parents, teachers and principals when a data security breach has/may have resulted in the unauthorized disclosure of, or access to, this information. Therefore, the School District has implemented privacy and security measures designed to protect student data stored in its student data management systems. For full policy, see Policy 8635 at www.baldwinschools.org/policies.

INDOOR AIR QUALITY (IAQ)
The district has adopted an Indoor Air Quality Program (IAQ) as recommended by the United States Environmental Protection Agency (EPA). This program requires the use of green cleaning products following stringent HVAC procedures and written follow-up to any concerns. The district’s IAQ handbook is available at each school for review on request.

MILITARY RECRUITMENT
It is the responsibility of the Baldwin High School to provide military recruiters access to student recruiting information in accordance with Federal law, which requires local educational agencies that receive federal funding to provide access to secondary school student names, addresses, and telephone listings upon a request made by the military recruiters.

A secondary school student or parent of the student may request that such information not be released without prior written parental consent. If you do not want your child’s name, address and/or phone listing released to military recruiters, you must notify (in writing) Dr. Ricky Papandrea, Assistant Principal, Baldwin High School, and your child’s guidance counselor, no later than September 30th.

NONDISCRIMINATION NOTIFICATION
The Baldwin Union Free School District does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Dr. Michelle Gallo
Assistant Superintendent for Human Resources
960 Hastings Street, Baldwin, NY 11510
(516) 434-6030

In compliance with the provisions of Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and other nondiscrimination statutes, the Baldwin School District advises students, parents, employees, and the general public that it offers employment and educational opportunities, including vocational opportunities, without regard to sex, age, race, color, national origin, or handicap. For procedures regarding grievances under Title IX, contact the Title IX Compliance Officer at 434-6030. For procedures regarding grievances under Section 504, contact the Director of Pupil Services at (516) 434-6050.

PESTICIDE NOTIFICATION (POLICY 8115)
New York State Education Law Section 409-H, effective July 1, 2001, requires all schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year. The District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications. The following pesticide applications are not subject to prior notification requirements:
- a school remains unoccupied for a continuous 72-hours following an application
- anti-microbial products
- nonvolatile rodenticides in tamper-resistant bait stations in areas inaccessible to children
- nonvolatile insecticidal baits in tamper resistant bait stations in areas inaccessible to children
- silica gels and other nonvolatile ready-to-use pastes, foams, or gels in areas inaccessible to children
- boric acid and disodium octaborate tetrahydrate
- the application of EPA designated biopesticides
- the application of EPA designated exempt materials under 40CFR152.25
- the use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets

The district’s Dignity for All Students Act (DASA), no student will be subjected to bullying, harassment or discrimination based on his or her actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender identity, or sexual harassment, discrimination and harassment, and hazing.

For all Board Policies, visit www.baldwinschools.org/policies.
SEX OFFENDER INFORMATION
As a result of Megan’s Law legislation, the district will occasionally receive information from the Nassau County Police Department about registered sex offenders who reside within school district boundaries. This information is maintained for viewing, upon request, which is available to community residents at the district office during regular business hours. The district also provides easy access to the Parents for Megan’s Law (PFML) e-mail notification system through our website. Subscribers to this system are automatically notified via e-mail of new registrants to the New York State Sex Offender’s Registry and directed to the PFML website where they can access the online Registry for New York, as well as other states. Residents without home Internet access may utilize this system by means of the Baldwin Public Library. Please visit www.baldwinschools.org under Facilities in the section labeled Safety and Security for more information about sex offender notifications and the PFML e-mail notification system.

STUDENT CONDUCT AND DISCIPLINE CODE (POLICY 5300)
The Board of Education has adopted a Code of Conduct designed to promote responsible student behavior. The code includes a bill of rights and responsibilities of students, discipline code for student behavior describing prohibited student conduct and the range of penalties, strategies and procedures for maintaining and enforcing proper conduct on school property as well as procedures for identifying and resolving discipline problems. The Student Discipline Code is distributed to all students and parents/guardians and explained to all students on a yearly basis. It is reviewed annually by the Board of Education and amended as appropriate. The code is available for review in each school building and posted on the district website.

STUDENT WELLNESS (POLICY 5405)
Given the documented connection between proper nutrition, adequate physical activity and educational success, the Board of Education has adopted a Student Wellness policy that sets forth goals and actions in order to provide district students with a school environment that promotes student health and wellness and reduces childhood obesity. In accordance with this policy, the district will serve healthy and appealing foods and beverages at district schools, following state and federal nutrition guidelines, as well as safe food preparation methods.

Students will be given the opportunity for physical activity during the school day through physical education classes, daily recess periods for elementary school students, and the integration of physical activity in the curriculum. Students will also have the opportunity for physical activity through a range of before and after school programs. Lastly, nutrition education will be integrated within the sequential, comprehensive health education program taught at every level, and will also be part of classroom instruction in the core curricula as well as Family and Consumer Sciences and Physical Education programs.

USE OF THE INTERNET (POLICY 4526)
The district values and encourages the use of computer and computer-related technology in the classrooms. All users of the district’s computer technology and the Internet must understand that it is a privilege, not a right, and entails specific responsibilities as set forth in the District’s Acceptable Use policy. This policy is available on the district website. A permission slip, signed by the student and parent/guardian, is required for students in grades 4-12 to use the Internet in school. Failure to comply with proper procedures may result in disciplinary action, which may include suspension and/or the denial of computer privileges. Specific information may be obtained from the Assistant Superintendent for Instruction at (516) 434-6020.

VEHICLE ANTI-IDLING
The district has established an anti-idling regulation that applies to all district-owned vehicles, contracted buses, and delivery and privately owned vehicles. Engines must be turned off while vehicles are standing. There are limited exceptions as noted in the policy. For more information on this or other environmental policies, contact the Facilities Office at (516) 434-6060.

DISTRICT MISSION STATEMENT
The mission of the Baldwin Public Schools is to support students’ academic, social, and moral growth, foster a lifelong commitment to learning, and encourage responsible contributions to society. A partnership reflecting the high standards of supportive families, conscientious learners, committed staff, and an involved community will maximize potential for student success.

Belief Statements
- We believe we must provide an environment that encourages physical, intellectual, emotional and social growth in a safe, healthy, and orderly setting.
- We believe that education encompasses positive communication and shared responsibility among the community, families, teachers, administrators, and students.
- We believe we must offer a strong academic program enriched by comprehensive elective and co-curricular opportunities so that individuals will have the skills and knowledge to adapt to constant change.
- We believe that it is essential that all students succeed, regardless of their individual circumstances, and that they be given recognition for those successes.
- We believe we must provide an education based upon respect and integrity that embraces civic virtue, values, moral discipline, and justice, and that we will value the richness of our community’s cultural diversity regardless of race, ethnic background, socioeconomic status, religious preference, or sexual orientation.

Broad Education Goals
Attainment of these broad educational goals facilitates fulfillment of the district’s philosophy of education. They are derived from the philosophy and they, in turn, are meant to identify specific objectives. Reaching our goals calls upon the joint effort of staff, students, parents, and the community.
- To develop, provide, and maintain an educational program that stresses concept, general life skills, and critical thinking
- To provide learners to live in a complex and changing world
- To stimulate the desire for lifelong learning and continued intellectual growth
- To foster an appreciation of human worth and dignity and aesthetic values
- To increase understanding of and respect for other cultures in our community and world
- To uphold high educational and social standards
- To inspire pride in worthwhile accomplishments
- To encourage students to become participating members of the local, national and world communities
- To develop enlightened citizens who can balance freedom and democracy with responsibility
- To provide an environment that supports continuing professional and personal development and attracts the best staff in all areas of instruction and service
- To search for and bring to the district resources that will enhance the educational program and student growth
- To provide for ongoing evaluation and revision of our goals and philosophy of education

Reaffirmed by the Board of Education, July 1, 2022

TAX CODE
The Baldwin School District is District #10 for the Town of Hempstead. The New York State income tax code for Baldwin School District is 052. Residents should include this number on their New York State income tax returns.
COMMUNITY ORGANIZATIONS

BALDWIN AUXILIARY POLICE UNIT 123
The Baldwin Auxiliary Police is a volunteer organization whose entire membership is trained by the Nassau County Police Department. As the eyes and ears of the police, they patrol weekly to help curtail vandalism and criminal mischief around homes, schools, churches, and temples, senior citizen complexes, and businesses. To learn more on how to become involved, call (516) 573-8830 from 9 am to 3 pm, weekdays. Deputy Inspector: Roy Behrmann, (516) 884-1742

BALDWIN BRUINS BOOSTERS CLUB
The mission of the Baldwin Bruins Booster Club is to support and encourage student athletes at Baldwin High School. Through fund raising efforts, the Booster Club hosts the Varsity Sports Banquet in the spring, supports scholarship awards to student athletes in each sports program, and contributes to the purchase of equipment and services to enhance the sports environment. Meetings are held monthly at the high school. See district calendar for dates. New members and ideas are welcome. For more information, contact Dr. Tyshawn Scarlett, Director of Physical Education, Health Education, Health Services, and Athletics, at (516) 434-6081. President: Sheree Lindsay, (917) 399-7759

BALDWIN CHAMBER OF COMMERCE
The Baldwin Chamber of Commerce is a volunteer organization dedicated to the improvement of the business community in Baldwin. They are unique among chambers because in addition to having many business members, they count on resident members to help promote Baldwin. The Chamber is partnering with other local organizations and government on revitalization projects. They host community events each year to promote good among residents and the business community. Monthly meetings are held every second Tuesday (except in July and August) and showcase local restaurants. For more information, visit www.baldwinchamber.com. President: Franky Jorqe

BALDWIN CIVIC ASSOCIATION
The Baldwin Civic Association (BCA) mission is to foster the wonderfully diverse community and maintain the quality of life in Beautiful Baldwin. They implement neighborhood improvements and beautification projects, help preserve and maintain parks and open spaces with the support of the community and government, encourage residents to buy locally, encourage public participation and awareness within the community and new business in the area, and partner with other organizations to achieve these objectives. The BCA meets monthly at Baldwin High School. For meeting dates and how to join, please visit www.baldwinavic.org or www.facebook.com/BaldwinCivicAssociation. Email: baldwincivic@gmail.com Phone: (516) 274-9008

BALDWIN COUNCIL AGAINST DRUG ABUSE (BCADA)
The Baldwin Council Against Drug Abuse (BCADA) is a non-profit organization whose goal is to offer “Better Community Alternatives to Drugs and Alcohol.” BCADA offers preventive drug and alcohol education to students in the district schools through research-based curriculum as well as parent and student support groups. Director: Claudia Rotondo, (516) 434-6097

BALDWIN EDUCATIONAL ASSEMBLY (BEA)
The Baldwin Educational Assembly (BEA) is a unique organization created by the Board of Education to strengthen relations and improve communications between the school board and community. The assembly is composed of volunteers who serve on committees that study charges by the board, BEA officers and executive committee. Temporarily on hold.

BALDWIN FOUNDATION FOR EDUCATION (BFE)
The Baldwin Foundation for Education is an organization of alumni and friends of the Baldwin public schools, which supports Baldwin School District and helps sustain Baldwin’s tradition of excellence in education. The foundation provides financial and other resources to enhance and enrich the educational programs of the district with mini- and maxi-grants and award scholarships. The BFE maintains the strong bond among Baldwin alumni and community. Board meetings are listed on the monthly calendar and the alumni weekend will take place September 10. President: B.A. Schoen, (516) 242-2190

BALDWIN FRIENDS OF MUSIC AND ART
The Baldwin Friends of Music and Art is an advocacy group for fine and performing arts, which seeks to uphold the high standards established in the Baldwin School District by assisting with student activities, offering grants, awards, and scholarships to students, and publishing an e-newsletter available on the district website. Volunteers interested in supporting the school music and art programs are invited to join and attend meetings held four times a year. Co-Presidents: Kerry Firth, (917) 733-8032; Doris McKeon, (516) 244-1938

BALDWIN PARENTS IN PARTNERSHIP FOR SCHOOL-AGED CHILD CARE
The Baldwin Parents in Partnership for School-Aged Child Care, Inc. (BPPSACC) was founded by residents to establish before- and after-school care in the district and contracted with the Barry and Florence Friedberg JCC to operate the program. The program is self-sustaining and supported through parent fees. The center, which is housed at Meadow and Plaza Schools when school is in session, offers a supervised setting with enrichment activities. Service is also available at the center in Oceanside during school holidays. For further information, call (516) 766-4341.

CONCERNED PARENTS OF BALDWIN
The Concerned Parents of Baldwin comprises parents from Baldwin, Freeport and Roosevelt whose children attend the Baldwin Schools. The organization’s primary focus has been the recognition of Dr. Martin Luther King, Jr. and to work with the district to present an annual assembly in memory of Dr. King and an annual poster contest. At the assembly, Concerned Parents also grants Humanitarian Awards to Baldwin students who exemplify the ideals of Dr. King, actively participating in school and community outreach and demonstrating an awareness and sensitivity toward others. Contact: TheConcernedParentsofBaldwin@gmail.com, President: Sheree Lindsay, (917) 399-7759

COMMUNITY COALITION OF BALDWIN
The leaders of school- and community-based organizations have joined together in this community coalition to assist one another for the greater good of Baldwin. For more information, please call Claudia Rotondo, (516) 434-6097.

Credo
- To unify and strengthen the individual associations of the council
- To create a greater understanding between parent-teacher groups in our community
- To assist actively in all programs designed to improve community health and welfare
- To acquaint the parents with the policies, plans, and programs of school administration
- To promote and actively support legislation designed to improve education
- To coordinate the effort of parent-teacher organizations for the benefit of our school district

The Council consists of four representatives from each parent-teacher association in the school district, which includes school unit president and other appointed or elected delegates, and the delegates from the Baldwin Teachers Association, the Baldwin Supervisors Association, the Association of Baldwin Administrators, the immediate past president, the Board of Education, and the Superintendent of Schools.

The Council hosts an annual Legislative Forum (October 28), district PTA Reflections Reception, and sponsors a Candidates Forum (April 27 if necessary) before the Annual District Meeting and Board Election and Budget Vote. The Council also co-sponsors with the school district two Parent Academy Workshops.

During the school year, PTA Council schedules Executive Board Meetings at 6:30 p.m. before General Council Meetings at 7:30 p.m. in the District Office. The Annual Council Luncheon Meeting will be held on Friday, May 5, at noon at the Coral House.

ABOUT THE BOARD OF EDUCATION

Members of the Board of Education are elected by registered school district voters on the day set aside for the Board of Education Election and Budget Vote. In 2023, the date is Tuesday, May 16. The board is an extension of the state government and its members serve three-year terms without pay.

The Board of Education holds a regularly scheduled monthly meeting, usually on the second Wednesday of each month. Meetings are scheduled to begin at 8 pm but are frequently called to order earlier with an executive session. The board generally returns to open session at 8 pm.

President: Susan Cools
Vice President: Thomas Smyth
Trustees: Annie Doresca, Karyn Reid, and Mary Jo O’Hagan
Superintendent of Schools: Dr. Shari L. Camhi
