

CHILDREN'S CORNER

Baldwin School District residents receive priority over out-of-district residents. Out-of-district residents will be able to register one week after registration begins. Online and phone registration begins when the Library opens on the first day of registration. Ten minutes after an in-person program has begun, individuals from the waiting list who have come to attend the program will be allowed to enter and may take the place of individuals who have not yet arrived. Once you've completed one of our craft kits, take a picture and tag us on Facebook and Instagram @baldwinlibny or email it to Childrens@baldwinpl.org.

Register for children's programs online using EventKeeper, in person at the Children's Reference Desk, or by telephone, unless otherwise noted.
