# An amazing summer camp experience starts @Hofstra

**Registration is now open!**

**Hofstra Summer Camps** offers campers in grades K-12 the opportunity to explore their passions, find their creative side, or learn from Division I coaches in over a wide variety of camps taught by New York State certified teachers or industry professionals.

Our programs include Cub Camp, Hofstra Art Experience, Artificial Intelligence Revolution, Sports Sampler, Culinary Arts, to all-day sports camps led by Hofstra coaches, and more. Campers can choose a new program every session to create a summer experience that is **completely unique to them**. Programs are offered in one and two-week sessions - you can register for as few as one week or as many as seven weeks.

Lunch is included for all programs and transportation is included in any Specialty Camp and can be added to any Sports Academy camp for an additional fee per week.
