The tournament will consist of five G/20 games (timed games in which each player will have a total of 20 minutes to complete his or her portion of the game), with a short break between each round. Please arrive early to find your child's spot for the first match at 2:30pm. Doors open at 2:00pm.

Students will be grouped by age into the following three sections:

Following the final tournament round (at approximately 6:00pm), parents will be invited to attend an award ceremony in which the top scoring students in each section will receive prizes based on their final tournament scores. A prize will also be awarded for the top scoring team at the event (please note: no team affiliation is necessary to participate in the individual tournament event).
