

Browser and System Requirements

Minimum and Recommended System Requirements

To ensure that eSchoolData performs seamlessly, please adhere to the requirements listed in the chart below:

	Minimum Requirements		Optimal Requirements	
	PC	Mac®	PC	Mac®
Operating System	Windows® 7 Professional	Mac OS® (OS X) 10.7.5	Windows® 7 Professional	Mac OS® (OS X) 10.8
RAM	2048MB	2048MB	4096MB	4096MB
Resolution	1024x768	1024x768	1280x1024	1280x1024
Processor	Intel Core 2 Duo or equivalent	Intel Core 2 Duo or equivalent	Intel Core 2 Quad or equivalent	Intel Core 2 Quad or equivalent
Internet Browser	IE® 9.x	Safari™ 5.x	IE® 10 or Google Chrome 27+	Safari™ 6.x or Google Chrome 27+

For users on Windows computers, Internet Explorer® versions 9 through 11 are supported in native mode, with Internet Explorer® 10 recommended. Please ensure that Compatibility Mode is **not** turned on at the browser level.

For users on Macintosh computers, Safari 5.x through Safari 6.x is supported. Mobile Safari on iOS 6+ is supported.

Google Chrome 27+ on Windows and Mac OS is supported. Recent past versions of Chrome should also provide good results for most users of eSchoolData.

Your browser must also support 128-bit encryption, and have Cookies and JavaScript enabled.

eSD® is optimized for best viewing with 16-bit color at 1280 x 1024 resolution. These settings ensure that all pages display properly.

Optimal requirements are strongly recommended for Gradebook usage.

Software Requirements

eSD® requires the use of the following third party applications:

- Microsoft Office® 2003, 2007 or 2010
- Adobe® Reader® (latest version)

Remote Access

The eSD® system is accessible from **any location**, assuming an Internet connection is available and browser requirements have been met. No hardware is required to allow users to access the system from school or from home.

Note:

If you are unsure whether your system meets the minimum requirements, please contact your **network administrator**.

Note:

Optimal Requirements are strongly recommended when using eSD® **Teacher Connect**, to unlock the potential of this new feature and enable the best end-user experience.

Note:

For more information, see **Compatibility Mode** on page 7.
